Album Styles

Picture This... Photography gives you the choice of different album styles. Each distinctively different.

Collage Art Albums

The Collage Art Album is the fusion of creative photography and artistic graphic album design. The photographs for the album are mounted onto

heavy stiff pages and bound into the album cover. Each album layout is artistically designed by me with your input. These albums come in three sizes, 8x8, 10x10 & 12x12. They come with a photo-wrap cover or for an added cost premium leather. You can see my album designs at my web site under *Album Gallery*.

Deluxe Coffee Table Albums

The Deluxe Coffee Table Album, like the Collage Art Album, is also the fusion

of creative photography and artistic graphic album design. However with this album, the photographs are mounted onto medium weight album pages and bound into the album. These albums only come in the photo-wrap covers or for an added cost premium leather. Three sizes, 8x8, 10x10 & 12x12 are available. They are perfect for those who like the look of a sleek trim album.

Each album layout is artistically designed by me with your input. You can see my album designs at my web site under *Album Gallery*.

Preview Book

A 14x11 preview book is yours to keep. Each page will have twelve images to view. Use this to share with others and to choose your favorite images for your album.
